PROGRAM DETAILS

- Program will run through 12/19/24; if at least one \$7,500 category is invoiced by 12/19/24, customer is eligible to earn subsequent rebates on qualifying orders through January 2025.
- The program is available only to veterinarians in good standing with Boehringer Ingelheim with valid veterinary-client-patient relationships (VCPR), and the product must be used solely by the VCPR patient.
- Boehringer Ingelheim has the right to end or modify this program in whole or in part (including the removal of specific products or premiums) at any time without notice.
- Qualified orders will be paid approximately 6–8 weeks after the promotion ends.
- Rebate checks will only be issued for amounts more than \$50.
- Rebates are to be paid based on cumulative invoiced purchases of program brands during the program period.
- If an eligible customer returns any qualifying product purchased during the program term that impacts the minimum purchase amount, Boehringer Ingelheim may (in its sole discretion) deduct the difference from any other rebates earned during the program term.
- Account eligibility: EPEP accounts and General Vet accounts not participating in any other program (Corporate Accounts, Buying Group, etc.).
- Void where prohibited by law or regulations. All federal, state, and local laws and regulations apply.

Talk to your Boehringer Ingelheim representative for more information.
