PURINA
PRO PLAN®
VETERINARY DIETS

DENTAL CARE DEVELOPED BY EXPERTS

Offer your patients a comprehensive portfolio of diets and treats that help control tartar, clean teeth, and freshen breath, each backed by the Veterinary Oral Health Council (VOHC) Seal of Acceptance.

DH DENTAL HEALTH®

- Proven to significantly control tartar
- Unique, crunchy kibble texture
- VOHC Seal of Acceptance: helps control plaque (feline only) and tartar

Dental Bites FELINE TREATS

- Helps clean teeth and freshens breath

Dental Chewz CANINE TREATS

- VOHC Seal of Acceptance: helps control tartar
